 - I. The Executive Cmte is not inclined to overhaul the website, rather they would like for the communication Cmte to provide feedback on how the site could be improved. One example was to set-up a real estate page to showcase for rent and for sale properties. Marilyn will work with the Communications Cmte to get a priority list and budget from them for 2016. MMS will identify the rollover amounts and allocate to the categories and provide an update in April.
 - II. Exec also discussed the possibility of adding Sac PD patrols to the District. MMS will work with Capt. Peletta to identify costs and deliverables.
5. It was determined that the meeting time does not work for the group for future meetings. Future Exec Cmte meetings will be moved to the 4th Thursday's at 2p. Meeting adjourned at 2:55p.
